## Renting Your Strata Lot

*Are you considering renting out your strata lot?*

### What you should know

Your strata might have bylaws that prohibit rentals. It could also have a bylaw limiting the number or percentage of strata lots that can be rented, and for how long they can be rented.

Generally, there are 4 categories that permit rentals:

- There are available units for rent under the strata bylaws, or there are no rental bylaws that restrict the number of units to be rented.
- You have an exemption from rental restrictions created by a Rental Disclosure Statement (Form J).
- You want to rent your unit to a family member.
- The strata granted you a temporary exemption from rental restrictions because the restrictions cause you hardship, such as financial hardship.

The owner must give the strata a Notice of Tenant's Responsibilities (Form K) **within 2 weeks of renting** all or part of a strata lot. It must be signed by the tenant, to show they have received these documents.

#### Issue 1

##### Strata - not giving me permission - rent my strata lot - family exemption

Expert Summary

Based on what you told us, you are an owner in a strata. The strata didn't give you permission to rent your strata lot. But you believe your rental request qualifies as a family exemption.

You also told us you had a hearing with the strata about this issue, but they didn't give you a written decision after the hearing.

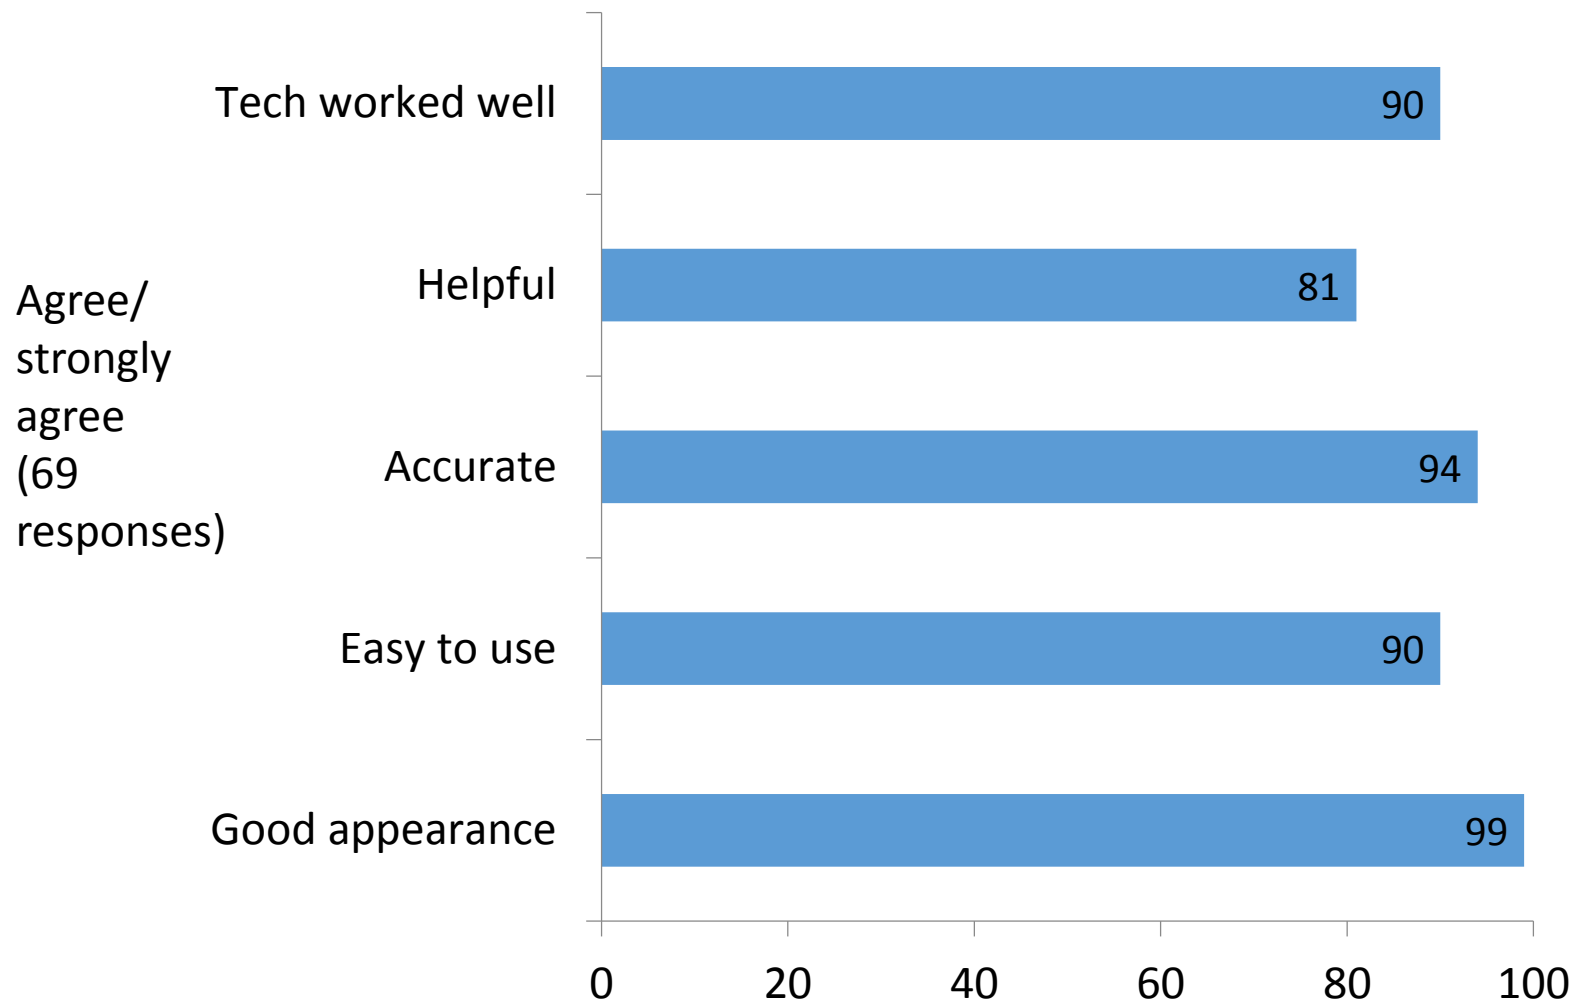

You have the option to contact the strata to ask for a written version of what was decided at the hearing.

Use the letter template **Request for a Decision from a Hearing** in the Resource section below. Deliver the letter to the strata using the proper methods as described in **Delivering a Letter or Notice to the Strata**.
