**MENTEE**

**MENTOR**

What do you want your mentor/mentee to know about you to maximize your partnership?	
What qualities or characteristics are you looking for in a mentor-mentee relationship?	
What are some things that you do NOT want in the mentor-mentee relationship?	
What are some other ideas you think are good for discussion (e.g., hopes, expectations, concerns, and limitations)?	
What ADR fields (e.g., workplace, construction, family) or experience insights are you looking for or wish to offer your partner?	
With what companies and fields of ADR, do you have experience?	
Is finding a match in the same field important to you?	
What days are you normally available to meet with your mentor/mentee?
